

# Technical Information

## Pinot Gris

2016

Very aromatic and full of flavour, with excellent body and texture. The signature peach, nectarine and pear flavours of the site are fresh and delicious with a tropical finish. Bone-dry, crisp and clean, this is a scrumptious wine and will cellar well up to 5 years. Serve lightly chilled.

Alc. 13.5%

### VITICULTURE

First plantings: 2001, continuing until 2004

Clones: 115/777/667/5

Rootstock: Swartman 101.14 330.9

Plants per hectare: 2500

Row Spacing: 2.5m

Plant Spacing: 1.67m

Fruiting Wire: 1m

Spur pruning.

Trained to VSP.

Desired crop attained by shoot and bunch thinning.

7 irrigation zones allow for irrigation and fertigation to soil type and plant need.

The site's hilly contours mean frost fighting is not required

The canopy is managed by wire.

Harvesting time is controlled by the winemaker. Clones on individual blocks within the vineyard are picked and stored separately for later tasting and blending.
